18000 West Nine Mile Road
Southfield, MI 48075 ([map](#))

Speaker: John Bizon

System i and i5/OS Announcements

The 2008 hardware and software enhancements for the System i and i5/OS will be covered for this session

About the Speaker

John Bizon, Field Technical Sales Specialist, IBM, Michigan. John has been with IBM for 23 years, all of which has been in supporting midrange computers. He has worked with the AS/400 since 1988 in various marketing and technical support positions. Currently he is the iSeries Technical Sales Specialist for Michigan supporting all iSeries and AS/400 customers.

From the President.

Dear Members.

MITEC plans are well under way. The event will again be held at the Henry Ford Event and Conference Center in Dearborn Michigan. Early Bird registration has been extended through May 16th. The one day conference event is a power packed education opportunity at a very affordable price. The conference features over 40 sessions to choose from presented by leading industry experts. Visit the conference web site for details at www.gomitec.com. Come and Make the Most of "IT" and join your colleagues at MITEC.

Regards,
Laura
