Presentation overview: discussion on the IBM i joint development with enterprise software ISVs including JD Edwards (Oracle), SAP, and Infor (Mapics, BPCS, M3, Lawson). How is the IBM i development team supporting these ISVs, how are the ISVs continuing to invest in IBM i, and how does that benefit customers going forward.

About the Presenter

Mike Breitbach is a senior software engineer and technical lead in IBM i development working with enterprise ISVs joint development team. Mike has been with IBM i development for 27 years and has been in his current role for 10+ years.

It's that time of year again. If you have not already done so, please renew your membership to SEMIUG. SEMIUG offers world class presentations, community interaction opportunities, automatic membership to COMMON, access to the sandbox iDevcloud box, discounted rates to group activities and much more. Dues are the same low price of \$50 a year for an individual and \$100 a year for an organization membership. To renew or sign up as a member you will find the membership renewal form at the bottom of the membership page.

Plans for MITEC 2017 are well under way. The event will be a 2-day offering. On Monday June 5th, workshops will be provided and on Tuesday June 6th we will have the power packed day of education. If there are topics, presentations, presenters that you would like to see included reach out to any SEMIUG board member. We welcome the input! This year's MITEC event "ignite the Power" will be held at the Schoolcraft College Vistatech Center located in Livonia Michigan.

Let's look forward to an awesome 2017!

Happy New Year.
